

AATA's 57th
Annual Conference

**ROOTED
AND
RISING**

AATA2026 Schedule-at-a-Glance

Updated August 10, 2026

Welcome!

Welcome to the AATA2026 In-Person Conference and the 150+ sessions included in your registration. The full version of the schedule (including speaker information) will be available on the Whova conference app, which you'll have access to in September.

Continuing Education Eligibility – coming soon!

Sessions eligible for Continuing Education credit will be identified with a session number beginning with a two-letter program subject track code followed by numbers (listed in parentheses after the session's name). See page 15 for more details.

- **Papers:** 50-minute lecture-style educational sessions that include a slide presentation. **1 CE credit**
- **Panels:** 90-minute conversational or discussion-based presentations led by 3 to 5 presenters, **1.5 CE credits**
- **Performance Art:** 50-minute educational session in which presenters share information through performance art modalities, including drama, music, poetry, text, movement, or visual art. **1 CE credit**
- **Video:** 50-minute finished video on topics related to professional issues and/or clinical practice. **1 CE credit**

For **Core Program Sessions**, attendees may self-check-in by using the QR code in each session room. (Just point your phone camera to the QR code and a link will appear.) For all **Ticketed Sessions** (including Advanced Practice Courses and workshops), AATA staff or volunteers will be scanning QR codes on your conference badge. If you have issues with the QR code or your phone isn't available, please ask an AATA staff member or volunteer for assistance or visit the registration desk.

Program Subject Tracks

Subject tracks are identified by the following two-letter codes. Find sessions by subject area [here](#).

- **Clinical Approaches:** Addictions/Substance Abuse (AS), Child/ Adolescents (CA), Forensics (FS), Geriatrics (GE), Medical Settings (MS), Psychiatric Settings (PS), School Settings (SS)
- **Contemporary Issues/Current Trends:** Activism (AC), Grief/ Mourning (GM), Autism (AU), Ethics (ET), Professional Practice (PP), Trauma (TR)
- **Education & Supervision (ES)**
- **Diversity, Equity, and Inclusion (DEI)**
- **Multicultural Perspectives (MP)**
- **Research/Evaluation (RE)**
- **Studio & Community (SC)**
- **Technology & Innovation (TI)**
- **Theory & Assessment (TA)**

Master-Level Clinical Supervision Sessions

Master-Level Clinical Supervision Sessions are sessions led by subject matter experts working with specific populations and/or settings to assist art therapy professionals to address clinical questions and concerns and enhance their practices in the field. These sessions are included in conference registration and are CE-eligible. To participate in a particular supervision session, one should either currently be working with or planning to work with the identified population. [Learn more here](#).

Shared Interest Group Meetings

Shared Interest Groups (SIGs) are peer-led spaces created for AATA Members to connect based on shared identities, interests, or practice areas—to help cultivate community and belonging within our association. **While AATA Members and non-members are welcome to attend a SIG meeting during AATA2026, please keep in mind that some SIGs are welcoming to everyone—and others are open only to those who personally**

Continuing Education Eligibility

Sessions eligible for continuing education are identified with a session number beginning with a two-letter program track code followed by numbers (listed in parentheses after the session's name). It is each attendee's responsibility to determine whether their licensing or credentialing body will accept the continuing education earned at AATA's annual conferences.

- **Art Therapy Credentials Board:** All educational sessions sponsored by AATA are accepted for continuing education by the Art Therapy Credentials Board (ATCB), except those sessions that are not identified with a session number, such as Shared Interest Group and Poster sessions. (e.g., RE18)
- **National Board for Certified Counselors:** AATA is also a National Board for Certified Counselors (NBCC)-Approved Continuing Education Provider (ACEP Provider #5670) and may offer NBCC-approved clock hours for courses that meet NBCC requirements. (e.g., N-ES23 or N/NY-RE18)
- **State of New York:** AATA is approved by the State of New York as a provider of continuing education for Licensed Creative Arts Therapists (LCAT) in New York. Sessions that are eligible are identified with an "NY" code. (e.g., NY-SC203 or N/NY-RE18)

Continuing Education Certificate Requests

All attendees will receive a post-conference email with directions on how to access continuing education certificates via their MyAATA account.
